REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2007-2008 school year has proven to be another great year at Killian Elementary. This year we added several new programs to help meet the needs of all of our students. The first addition was Genesis, which was developed to foster academic excellence for all of our students who needed more challenging academic experiences. Next, was SUCCESS, which was implemented in Third Grade to help ease the transition from the primary grades to the elementary grades, which historically has been difficult for many of our students. In addition, Renaissance was established and is second-to-none in terms of addressing our students' needs through the multiple intelligences and giving all of them the necessary resources to foster academic success. And last, but certainly not least, our SMART START program began in grades K-2 and its purpose was to increase the number of students who qualify for gifted and talented education.

Our teachers continued to build their capacity to become more effective with almost 80 percent of our faculty now having advanced degrees, more teachers than ever attended educational conferences and workshops and the teacher attendance rate is now over 96 percent (a new school record). Moreover, we were voted by The South Carolina Association of School Administrators and Carolina's First as a Palmetto's Finest Finalist School, received our second Red Carpet Award and was named a South Carolina Single Gender Initiative Award Winner.

Consequently, our students continued to soar to excellence as well. Eight of our students will attend Wake Forest University this summer as nominees for The National Young Scholars Program. Furthermore, this year we saw the largest numbers ever of students making the various Honor Rolls.

Finally, this year was one that saw our school continuing to fulfill our mission of building positive school and community relationships by forming new partnerships with The BOSE Corporation and State Farm Insurance. Our REACH Program has continued to bring in over 100 community volunteers each week. Because of our many successes, we have been featured on television numerous times and over 50 articles/editorials have been written about us in various state and community newspapers.

As this year comes to an end, I know with the continued support of our community and parents, Killian Elementary will continue to build a legacy of excellence!
